

Big media is  
suffocating our  
Democracy.  
Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary days  
before the election  
is a clear example  
of the danger of  
corporate control of  
the media.

Sinclair uses the  
public airwaves free  
of charge, and is  
obligated by law to  
serve the public  
interest.

In fact ALL  
CORPORATIONS should  
serve the public  
(that is ALL of the  
public)  
good.....and  
that is why they  
have the rights that  
they have

Sinclair's actions  
show why we need to  
strengthen media  
ownership rules, not  
weaken them. They  
show why the license  
renewal process  
needs to involve  
more than a returned  
postcard. Thank you.
